

FORUM ON RISK MANAGEMENT FOR TRUCKING COMPANIES

Protect your assets!

Thursday, June 5, 2008

Holiday Inn, 1000 Eastport Plaza Drive
Collinsville, IL 62234

\$75 per attendee – lunch included!

Querrey & Harrow

Topic: Claim Management and Asset Protection

For: For-Hire Motor Carrier Owners and Managers

Objective: Find **margin** in aggressive and real claims investigation and management. Distance your assets from the severe accident.

Benefit: This highly interactive forum will help you lower your claims costs as a more proactive and assertive partner with your insurance company and claim vendors.

Agenda

7:45 am **Registration** - Continental Breakfast

8:15 am **Issues for all claims:** Separating your assets from the claim; Ensuring integrated safety management practices; Document retention policies; Documenting the scene of the accident; Managing communication with your insurance carrier.

Minimizing Damages: Small claims and Larger Claims: Ideal practices for managing claims and working effectively with adjusters; Critical Engineering Issues; Red Flags; What can I expect (and demand) from my insurance company?; Projecting a positive image to a jury as a "responsible" motor carrier.

11:45 am **Lunch: Regulatory Developments**

12:45 pm **Hot Topics for the Future:** Independent Contractors in Illinois/Work Comp Coverage Option

Space is limited. Register Now!

Cancellations must be made 48 hours in advance. Substitutions are accepted. No shows will not be refunded.

Mid-West Truckers Association is not only the lobbying voice for the trucking industry, but also provides a wide range of member services, including federally-mandated drug and alcohol testing, licensing and title services, self-funded workers compensation programs and training and education. Regional advisory groups meet on a regular basis to discuss industry issues.

Querrey & Harrow, a law firm for the transportation industry since the early 1980's, represents interstate and intrastate trucking companies, railroad lines, common carriers, and mass transit. The firm offers defense of USDOT administrative actions, defense of personal injury claims, employment counseling, and business transactional services, including real estate, contract analysis, intellectual property, and succession planning.

PACKER
ENGINEERING INC.

Packer Engineering is a multi-disciplinary engineering consulting and technical services company offering engineering investigation and analysis, customized and routine testing, accident investigation and reconstruction, and pretrial and courtroom testimony.

Premiere Risk Management is a commercial lines broker based in the Chicago area focusing exclusively on the trucking industry. Their mission is to become your true business partner in their efforts to protect your assets.
